

QUESTIONS FOR REFLECTION

SESSION 1

UNICON 2019 Directors Conference

April 24-26, 2019

Questions for reflection

- **Half-life of knowledge is shrinking due to the changing environment.**
 - What do business schools do to keep their relevance & value for clients?
- **Current landscape makes an impact on the core competencies required for success.**
 - What competencies turn to be the most important for business schools in the new setup?
 - What are the possible ways to develop these competencies faster?
